Section 3(d)

Please list the steps you have taken to assure yourself you have not acquired citizenship of another country by descent, marriage or other means.

The only possible pathway that might have been available to me to inherit citizenship by descent would be my paternal grandmother and my maternal grandfather who were British.

However, checks were undertaken on my behalf to confirm that, under British law, the grandchildren of British citizens do not have an entitlement to British citizenship by descent.

I have not acquired foreign citizenship as a result of my spouse's place of birth.
