Subject: "Citizenship matter of HAWKE Alexander George, son of Richard and Evangelia, born in Australia on the 09/07/1977"
Re: Embassy of Greece in Canberra Document nu. 730/115/AS 898/8.11.2017

In response to the above, under reference, document regarding the subject issue, we communicate the following:

According to article 27 of the Greek Nationality Code (L.3284/2004) combined with article 1 of the Provisions Code for Male Registries (L.2119/1993), the acquisition of greek nationality/citizenship is proven by the registration within the Municipal and Male Registries (cases of males) of the Greek State.

In the specific case, and after investigation conducted by our Offices, no such registration of HAWKE Alexander George (son) of Richard and Evangelia, born in 1977 in Australia, in either the Municipal or Male Registries appeared.

Consequently, as no registration ever took place within the Municipal or Male Registries of the State, he can not be considered a Greek citizen/national.
